Exit church driveway onto Lavender Hall Lane

Follow footpath to Baulk Lane – path has hedge to your right through two fields, **then path crosses through hedge** near top of third field so that hedge is now on your left

Cross Baulk Lane diagonally left and take off-road footpath

At 4-way junction take left path and then follow path as it swings right and goes uphill

At crest path goes half-right through corn field

Path emerges onto farm driveway – look out for stile on left part way along driveway

Turn right onto a footpath through to Hodgetts Lane

Turn right at Hodgetts Lane and follow the road over the railway bridge until Avondale

Opposite Avondale take footpath on the left of the road leading to Nailcote Lane

Turn left onto Nailcote Lane and follow the road to the traffic lights before the bridge

Follow the path across the bridge to emerge onto Duggins Lane

Follow Duggins Lane to the bottom and turn right into the dead end leading to the station at Tile Hill
